

COLLEGE OF ENGINEERING ADOOR

B.Tech Degree 8th Semester End Semester Examination

Instruction to the Students

1. If any student finds inconvenience in writing the examination from his/her house/location due to connectivity issues, such grievances shall be communicated to the staff advisor well in advance. No complaint in this regard will be entertained during the time of examination.
2. No re-examination will be allowed for these examinations. Students who are absent from these examinations shall appear for the final semester examinations (to be conducted in the conventional mode) as and when offered by the University.
3. A Google classroom will be created for each subject. Each student should log in to the respective classrooms for the subjects they have registered for the university exam upon receiving the invitation. Complete the registration process before 08/08/2020.
4. Students should use A4 size sheets for answering. On the top of **each page**, the students should write the page No., Register No. , Course code, and put signature. This can be prepared well before the beginning of the examination.
5. Answer sheets may be uploaded, preferably as a single file in pdf format.
6. All students should log in to the corresponding classroom 10 minutes before the exam schedule.
7. All students should complete the examination and upload the answer sheet in the stipulated time.
8. Any malpractices identified will be strictly reported to the university.
