## **Part 1-Procedural**

### **1.1 Confirmation of the minutes of the 4<sup>th</sup> meeting of the BoG held on 13/06/2014**

Minutes of the 4<sup>th</sup> meeting of the Board of Governors held on 13<sup>th</sup> June 2014 have to be circulated to the members subsequent to the meeting under

approval from the Chairman. Minutes are also included herewith as **Annexure 1**. The board is requested to confirm the minutes.

## **1.2 Action taken on the minutes of the 4<sup>th</sup> meeting of the BoG held on 13/06/2014.**

# **Part 2-Ratifications and Approvals**

## **2.1 Ratification of change in TEQIP Coordinator ship from John George to Manu M. John, during the absence of the former.**

Mr. John George currently pursuing PhD at NIT Calicut, availed leave from 17.10.2013 to 04.08.2014 and from 10.11.2014 to 29.12.2014. In the absence of John George, the additional duty of the charge of TEQIP coordinator ship is given to the next senior faculty, Manu M John, Assistant Professor in Mechanical Engineering, who was handling the duties of Finance Coordinator.

## **2.2 Ratification of proposal from Sri. Binulal B.R for ITSS.**

A proposal received from Sri. Binulal B R, Associate Professor in Mechanical Engineering Department, College of Engineering Adoor for attending the 5th Asian Joint Workshop on Thermo Physics & Fluid Sciences to be held in Japan from 23.09.2014 to 26.09.2014 for permission under International Travel Support Scheme -TEQIP.

But SPFU Kerala has communicated that, for granting permission under ITSS, the BOG has to approve the proposal received from Sri. Binulal B R. As the proposal from Sri Binulal B R has been received after the last BOG meeting, the BOG Chairman approved the proposal subjected to the norms of TEQIP followed in the college and to be ratified in the next BOG meeting.

The details of the proposal approved from SPFU along with the mail from Chairman are included in the **Annexure II**.

## **2.3 Ratification of the cancelled packages**

The details of cancelled procurement packages and the reasons for cancellation are given below. It is requested that the cancellation of the packages may kindly be ratified by the BOG.

Sl. No	Package Name	Method of procurement	Contract Amount (Rs)	Reason for cancellation
1	ARM trainer kit	Shopping	27,000.00	The price quoted by the lowest responsive vendor is more than 25% of estimated cost.
2	Blue ray disc player	Shopping	12,000.00	Did not find the vendors capable of supplying the items
3	Ceiling Mounting Brackets and Short throw projector	Direct Contract (DGS&D)	198,618.00	No response received from the vendor for the letter of enquiry sent
4	Computer peripherals	Shopping	95,300.00	The firm M/s. Smartsoft, Trivandrum to whom P.O was sent did not supply the items
5	Emergency & Search Lights	Direct Contract	10,000.00	Decided to purchase from institutional fund
6	EPBAX System	Direct Contract	225,000.00	The firm M/s. Digital Automation Pvt. Ltd to whom P.O was sent did

				not supply the items
7	Equipments for making experimental setups in advanced electrical engineering lab	Shopping	233,572.00	All the quotations received were evaluated as technically non-responsive
8	Equipments for strengthening existing setups. (UG Lab)	Shopping	30,500.00	Not received minimum number of quotations
9	High Performance Machines with N-Vidia Quadro GPU	Direct Contract	565,425.00	The firm M/s. Ideal systems, Trivandrum to whom P.O was sent did not supply the items
10	Laptop Computers	Shopping	840,000.00	All the quotations received were evaluated as technically non-responsive
11	Mechanical Workshop Machines	Shopping	130,000.00	Not received minimum number of quotations
12	PCB fabrication facility	Shopping	147,000.00	Package has to be cancelled as the proposal received from the EC dept did not match with the
13	Seminar Hall Chairs	Shopping	369,000.00	All the quotations received were evaluated as technically

				non-responsive
14	Setups for conducting experiments in fluid flow - (Fluid Mechanics Lab-UG)	Shopping	222,000.00	The items supplied by M/s. Micro Technologies Pvt. Ltd, Ambala Cantt were rejected since they found not as per the required technical specifications
15	Special Induction Machines	Shopping	315,800.00	All the quotations received were evaluated as technically non-responsive
16	Spring testing machine	Shopping	400,000.00	The to whom P.O was sent did not supply the items
17	Tablet PC	Direct Contract	217,572.00	No response received from the vendor for the letter of enquiry sent
18	Visual Presenter	Direct Contract	120,000.00	No response received from the vendor for the letter of enquiry sent

#### 2.4 Ratification of the revision made in the procurement plan

The procurement plan is revised with addition of 13 new procurement packages for a total estimated cost of Rs. 4084362. The civil works packages are revised with the deletion of two packages with a total estimated cost of Rs. 2300000.

#### 2.4.1 Ratification of the deleted packages

The details of deleted civil works packages and the reasons for cancellation are given below. It is requested that the deletion of the above civil works packages may kindly be ratified by the BOG.

Sl. No	Package Name	Method of procurement	Contract Amount (Rs)	Reason for deletion
1	Extension , machine foundation works	Shopping	1,100,000.00	Civil works committee decided to drop this package
2	Civil works for smart class rooms	Shopping	1,200,000.00	Civil works committee decided to drop this package

#### 2.4.2 Ratification of new packages

The details of newly added procurement packages and the reasons for inclusion are given below. It is requested that the inclusion of the new procurement packages may kindly be ratified by the BOG.

Sl. No	Package Name	Method of procurement	Contract Amount (Rs)	Reason for Addition of new package
1	ARM Trainer Kit	Shopping	39,000.00	This package was added against the cancelled package
2	Components for Embedded System Lab	Shopping	40,000.00	This package was added against the package which need to be

				cancelled as the actual cost
3	Campus Networking Package	Shopping	350,000.00	New Institutional requirement
4	AICTE 2015 Renewal for ASME e-journals	Direct Contract	160,644.00	Subscription validity ends on 31 <sup>st</sup> December 2014
5	AICTE 2015 Renewal for IEEE e-journals	Direct Contract	371,321.00	Subscription validity ends on 31 <sup>st</sup> December 2014
6	Level Process Controller	Shopping	188,000.00	New requirement from EEE dept.
7	Server Computer For EC Dept.	Shopping	100,000.00	New requirement from EC dept.
8	EPABX & Accessories	Direct Contract	300,958.58	Added against the cancelled package
9	AICTE 2015 Renewal for Elsevier e-Journals	Shopping	484,903.00	Subscription validity ends on 31 <sup>st</sup> December 2014
10	Fire Extinguisher	Shopping	295,245.00	New Institutional requirement

**2.5 Approval needed for the proposal for conducting Pre-placement Orientation program and NAC-Tech Assessment facilitation for the college.**

A proposal for conducting Pre-placement Orientation program and NAC-TECH Assessment facilitation for the college may kindly be approved by the BOG. The order forwarded by SPFU is as follows:

## **2.6 Approval of the proposal for the creation of a Technology Incubator at College of Engineering Adoor.**

The policies and procedures for the Technology Incubator at College of Engineering Adoor are attached as annexure. The approval of the BoG is requested for it.

## **2.7 Approval needed for enhancing allowances of employees on daily wages.**

As per the comply with the Govt. Order G.O (P) No. 466/2014/Fin dated, 28.10.2014 enhancing allowances of employees on daily wages, so that the wages of the Data Entry Operator and Junior Accountant was revised. The details of Government order are included in the **Annexure III**.

## **2.8 Ratification of fees paid for Accreditation and Report on SAR**

### **2.8.1 Ratification of fees paid for Accreditation**

As per the TEQIP II norms, all the TEQIP Institutions are required to meet a set of 8 performance indicators. One of the performance indicators is obtaining NBA accreditation for the eligible UG and PG programmes. The performance indicator in respect of CE Adoor as on 31.10.2014 which has been sent to NPIU is attached as **Annexure IV**. As per the direction from NPIU and SPFU, all the Institutions should apply for accreditation before 30 April 2014. Hence CE Adoor has applied for accreditation of the three eligible UG programmes- Computer Science & Engineering, Electronics & Communication Engineering and Mechanical

Engineering. The Registration fee of Rs. 1,12,360/- and the Accreditation fee of Rs. 10,11,240/- have been paid to National Board of Accreditation on 27.11.2013 and 15.05.2014 respectively. Hence a total amount of Rs.11, 23, 600/- was paid for accreditation. It is requested that the total amount of Rs. 11, 23, 600/- paid as accreditation fees may kindly be ratified by the BOG.

### **2.8.2 Report on SAR**

A Self Assessment Report has to be uploaded in the NBA web site based on which the Accreditation team will visit the campus for assessing the institution. Hence a preliminary SAR has been prepared as directed by the SPFU. The SAR prepared by the EC, CS and ME Departments are included in **Annexure V**.

### **3.3 Report on visit of Mentor**

The mentor Dr. Ashalatha Thampuran, Educationist and Former Principal of College of Engineering, Trivandrum, visited the campus on 1<sup>st</sup> and 2<sup>nd</sup> September 2014 for the second mentoring of the institution. She interacted with the TEQIP Coordinators, faculty, technical and office staff and UG and PG students. The report of the mentor has been received recently only which is attached as **Annexure VII**.

### **3.4 Report on visit on Performance & Data Auditor**

The Performance Auditor Mr. Suresh Dattatraya Khare, Rtd. Deputy Director of. Technical Education. ,Govt. of Maharashtra and Data Auditor Mrs. Smitha Dharan, Asso. Prof , College of Engg. , Chengannur visited the campus on 13<sup>th</sup>, 14<sup>th</sup> and 15<sup>th</sup> October 2014 for the second auditing of the institution. He interacted with the TEQIP Coordinators, faculty, technical and office staff and UG and PG students. The First Auditing report of the performance and data auditor is attached as **Annexure VIII**.

### **3.5 Report on statutory Audit**

The firm M/s K. Venkatachalam Aiyer & Co., Chartered Accountants, had audited the financial statements of the College of Engineering Adoor for the financial year 2013-2014 from 03.07.14 to 04.07.14 and had issued the consolidated report dated 26.09.2014. The report of the statutory audit for the financial year 2013-2014 was attached as **Annexure IX**.

### **3.6 Report on Internal Audit**

The firm M/s Mohan & Mohan Associates., Chartered Accountants, had audited the financial statements of the College of Engineering Adoor for two quarters of the financial year 2013-2014 and had issued the consolidated report for the second

quarter. The firm had audited the financial statements of the College of Engineering Adoor for the first quarter of the financial year 2014-2015 from 11.12.2014 to 12.12.2014. The report of the internal audit for the financial year 2013-2014 was attached as **Annexure X**.

### **3.7 Report of Governance Development Plan**

All the TEQIP Institutions are asked by the NPIU to conduct Governance Self Review and formulate an initial Governance Development Plan for the successful implementation of TEQIP-II. Accordingly, a preliminary Governance Development Plan was prepared and sent to SPFU and NPIU which is attached as **Annexure-XI**. The BOG may discuss the plan and give suggestions.

**One Day Workshop on**  
**Pedagogical Strategies for Effective Teaching Learning**  
**11 July 2014**

### **REPORT**

#### **Rationale for the workshop**

The workshop was planned keeping in mind the need to impart pedagogical training to the newly recruited faculty, who constitute more than 50% of the faculty in the roll. The rationale for pedagogical training becomes all the more important, when you consider the fact that most of the new recruits are in their first year as a teacher.

## Participant profile

The workshop was open to all newly recruited faculty with little or no experience in teaching and to those faculty who are passionate about learning and using newer and effective pedagogical strategies in the classrooms.

## The workshop – as it happened

The workshop was scheduled as consisting of 4 sessions. The Principal Prof. Jyothi John started off the day's proceedings with a well prepared presentation covering the latest trends in the use of Education Technology (including MOOCs) in today's classrooms. He urged the participants to update themselves to meet the challenges posed by online courses.

The second session was engaged by Dr. E K Bhas (Formerly Professor of Civil Engineering, TKM College of Engineering). He spoke of the need to have a passionate temperament. In his talk, he touched upon the various qualities of a great teacher and in the process enlightened the participants on how to improve themselves as a teacher.

The two sessions in the afternoon was based on the Pedagogy workshop, organized by IIT Bombay. The sessions were handled by the coordinator of the workshop, Mr. Madhu A K. The sessions gave the participants hands on training on how to implement Active Learning Strategies like TPS (Think-Pair-Share), Poll, and PI (Peer Instruction) etc in a classroom.

### MENTOR'S REPORT

<b>Mentor Report Form (1)</b>			
Dates of mentoring visit : 1st and 2nd September 2014			
Name of Mentor: DR. ASHALATHA THAMPURAN			
Name of Institution with Location: GOVT. ENGINEERING COLLEGE , ADOOR			
No:	Seven Key Aspects	Qualitative Summary and Supporting Evidence of Progress*	Progress since previous visit
component 1 : Improving the quality of education			

1.1	Strengthening institutions to improve learning outcomes and employability of graduates	More initiatives have been taken to improve the employability. Campus recruitment improved. All the labs are equipped with new equipments quality improved with the provisions of one hostel.	More students have been placed. Residential facility improved nominally. Lab facilities improved.
1.2	Scaling up postgraduate education and demand-driven research, development and innovation	No new PG courses are being offered. All non gate students are given financial assistance. Labs are well equipped with TEQIP funds. Positions of library both on line and off line journals are improved.	More PG students have been given financial assistance- labs are fully equipped.
1.2.1	Establishing centers of excellence	NA	NA
1.3	Faculty development for effective teaching (pedagogical training)	More staff members have been trained. Out of 77 faculty 37 staff only permanent additional 40 are temporary. All permanent have attended more than one programme. Some of the temporary staff also attended FDP	Improvement felt in case of staff who have attended the programme
component 2 : Improving System management			
2.1	Capacity building to strengthen Management	5 senior staff have attended Management capacity enhancement training	First time the staff has been trained in Management capacity enforcement programme. Improvement from 1st visit
2.1.1	Implementation of good institutional governance	NA	NA
2.2	Project Management, monitoring and evaluation	Lack of staff members in senior position hampers the proper monitoring and evaluation	Improvement is seen
*More key bullet points may be added as necessary in the electronic forms that should be used when submitted by mentors and performance Auditors.

No:	List of Interviews	Key Discussion Summary Points	Progress

1	Undergraduate students	<ul style="list-style-type: none"> <li>• Students are not happy with the teaching process. Most of the classes are handled by the guest lecturers. Quality is suffered. Core subjects to be handled by experienced faculty.</li> <li>• Students coming from rural areas should be provided with soft skill and personality programmes to improve their employability. Awareness regarding career guidance and employability should starts from 1st year onwards. Final years requested for conducting Gate coaching classes.</li> <li>• Satisfied with the Lab facilities.</li> <li>• Extracurricular activities in connection with the professional bodies not conducted students chapter of IEEE, ISTE and Computer Society –System Society etc should be established and activities to be undertaken. Final year students can be given responsibilities to actual conduct of the programme.</li> <li>• Lack of proper residential facilities affects the academic environment. Political influence in the students activities are felt which hamper the proper academic developments member of working days lost due to political activities.</li> </ul>	<p>More facilities to be provided. lack of permanent staff</p> <p>Management should be addressed</p> <p>There is progress from last visit</p> <p>No progress- lack of permanent staff</p> <p>As for the infrastructure is concerned, Improvement in the residential facilities is seen One hostel has established with the help of PTA- Not enough.</p>
2	Postgraduate students	<ul style="list-style-type: none"> <li>• Students are of the opinion that quality has been improved after TEQIP eg: sufficient journals both in time &amp; off line available. Labs are fully equipped. Space constrains are felt.</li> <li>• Suggested to have a workshop on Latex which will help them in the preparation of thesis. Lack of exposure to research methodology is hampering the proper preparation of thesis.</li> <li>• Suggested a national conference where the students will get an opportunity to present their works and interact with the eminent persons from outside. Hesitant to do innovative work, ready to take up research initiative with the</li> </ul>	<p>More journals both &amp; off line available after last visit. In all other areas like staff position, space, etc. -No improvement.</p> <p>Lack of experienced and qualified staff hamper the innovative research works.</p> <p>Placement side also there is no improvement from last visit.</p>

		<p>help of staff if financial assistance TEQIP can help them.</p> <ul style="list-style-type: none"> <li>• No placement: to be taken care by placement officer common placement-More placement of UG students</li> </ul>	
3	Faculty	<p>Lack of Permanent faculty is felt. Only 50% are permanent. Permanent staff members have to take up the extra responsibilities. Additional responsibilities and time constraints affects the quality of education. They are not in a position to involve in the students' academic and research activities- These are delegated to guest lecturers- Technical &amp; cultural activities of the students are affecting. Also affect the research and Developments, No staff has taken seed money for doing research, nobody has registered for Ph.D.</p> <p>Improvement in Pedagogical skill is observed among permanent staff. Use of equipments to improve is felt. All permanent staff have attended more than one FDP programme. Lack of proper planning by the University has affected the training programme of the staff. Not able to plan the training programme properly.</p>	<p>Generally No improvement from the last visit. Lack of permanent staff make the existing staff work hard bringing down the efficiency . Quality of teaching improved of the staff who have attended faculty development programme. Improvement is full those who have attended FDP programme.</p>
4	Staff	<p>Meeting with Technical &amp; administrative staff</p> <p>In sufficient number of Technical staff in all departments. Taken on daily wages fixed years ago which is very low. Staff with proper to be taken on contract after proper evaluation and interview and after assessing their performance.</p>	<p>No improvement from may pervious visit Management should be addresses</p>

5	Senior Management	After TEQIP initiative, improvement is seen in purchasing equipments. Insufficient staff strength hampering other activities like Research and development, Industry institute interaction to a large extend. Faculty development is also target permanent staff, contract staff/guest lecturers to the term of 50% not included. A number of permanent staff (20/37) does not possess M. Tech. No professor with PhD is available. Quality is suffered. Promotions to the higher post to be sanctioned. Morale of the staff is affected.	No Progress Unless the vacancies are filled and senior staff and promoted/ appointed, the progress cannot be achieved. Permanent staff should be given deputation to acquire higher degrees. Management to be addressed.
6	Members of the governing body	No discussion took place	
7	Industry representatives	No discussion took place	
8	Head of the institution/Nodal officers and Senior faculty	The college has spent 73% of the amount received with TEQIP till 01/09/2014. Expenditure for modernization of class rooms, purchase of equipment's in the lab etc are good 82% amount spent for the purchase of book is low-49%. The preference in other areas is not very encouraging. Out of 135 lakhs earmarked for the 8 activities- only 3,2,7 and 9 (providing assistance ship, Academic reforms, Incremental operating costs) have crossed 50%. Of the expenditure lowest are 3) Enhancement of R&D and institutional consultancy less than 1 %, 4) Faculty development - 31 %, Number of permanent staff less than 40% all have attended more than one programme. 5) Enhanced interaction with industry-14%. 6) Institutional management capacity 22.8 8) Academic support to weak student- 24 %, Attendance in remedial class low due to lack of hostels and transportation.	Progress seen in utilizing money for purchase of equipments etc. In other areas not much improvement felt. R&D and other activities will improve with filling up of vacancies.

		<p>Lack of residential accommodation- students are influenced by the activities, of the locality –Institution not able to control that number of working days lost due to strikes and other nonacademic activities, controlled by the outsiders. While conducting remedial classes-lack of hostel facility and transportation adversely affecting the classes – Institution with the help of PTA has initiated the establishment of hostel facilities for the first years - Trying to get financial assistance to construct hostels. Lack of faculty – No improvement in the faculty . 50% of the faculty on adhoc appointment as guest lecturers – Even among the permanent faculty a number of them have B.Tech qualification only. Very few senior faculty with Ph D. All the staff members have undergone training and attended workshop. Official responsibilities act as a constraint for the permanent staff.</p> <p>Lack of supporting staff : more than 50 % of the staff on daily wages (wage fixed years back. ). The Directorate should be addressed in this regard. Insufficient staff (both teaching and non teaching technical) is affecting the quality of education.</p>	<p>No progress is seen in filling up of the faculty both teaching and technical on a permanent basis. Accordingly quality in teaching is affected. Unless the management ready to fill up the vacancies difficult to improve the quality. Other areas also to be looked into by the management. Provision of hostel facilities etc.</p>

### **ANNEX 3: Mentor Report Form (2)**

Dates of mentoring visit : 1st & 2nd September 2014			
Name of Mentor: DR. ASHALATHA THAMPURAN			
Name of Institution with Location: GOVT. ENGINEERING COLLEGE , ADOOR			
No:	RECORD OF KEY POINTS (Discussed with head of the institution, chair of the governing body)	INSTITUTIONAL RESPONSE	NOTE OF ANY FOLLOW-UP NEEDED BY MENTORS, SPFU, NPIU

1	To improve quality in teaching learning process, permanent faculty with qualification and experience is essential. In Adoor Engineering college for 40 of 77 vacancies are filled with Guest Lecturers	The vacancy to the tune of 50% exist in the the institute for a long period. Principal have written to the Director IHRD several time but no action has being taken.	SPFU, NPIU take up the matter with IHRD
2	Senior faculty position - Post of Professors and Associate Professors are lying vacant	There are number of staff having qualification and experience for higher post (Associate Professor).No promotion is effected recently. Director was IHRD informed several time- no response	Under corporate management, eligible candidate may be available. Steps to be taken by IHRD.SPFU, NPIU take up the matter with IHRD.
3	Residential accommodation is lacking for students/ staff. This hampers the arrangements of the remedial classes. Students are involved in locally sponsored political agitation. A number of working lost due to this.	Have taken up the matter with IHRD Directorate. Even after 19 yrs of establishment this year college, IHRD has not taken up initiative to set up hostels for the students. The Principal has taken initiative to start one hostel for S1S2 students with the help of PTA. Other sources are being addressed for construction of hostels.	IHRD Director may be addressed in this regard. SPFU, NPIU take up the matter with IHRD.
4	Regarding qualification enhancement of teachers. A large number of permanent staff has B. Tech qualification only. Few staff members are sponsored to undergo M. Tech programme. One staff is sponsored annually take years to have the existing permanent staff to acquire M.Tech qualification.	More than one staff to be deputed for higher studies. If existing vacancies (60%) are filled with M.Tech candidate, it will make a difference. Principal has addressed the Director IHRD.	IHRD Director may be addressed in this regard. SPFU, NPIU take up the matter with IHRD.
5	Amount which is set for apart R&D activities, Industry Institute interaction, Faculty development, Academic support are not satisfactory . Numbers of senior staff with Ph.D who can take up research activities are few. Hence no R&D action.	At present only PG programme in Mechanical engineering. Actions have taken to start new PG courses in other departments. Which will improve research & related activities. Permanent staff has taken more than one FDP. If more programmes are arranged it will affect the academic activities. Lack of residential accommodation hamper conduct of remedial classes.	The matter to be taken up with Director. SPFU, NPIU take up the matter with IHRD.

6	As there are very few permanent staff member they are under tremendous pressure. In addition to the normal work, additional responsibility has to be taken. Absence of experienced senior faculty also is felt.	Unless the vacancies are filled, the efficiency cannot be improved.	The matter to be taken up with Director IHRD

INSTITUTIONAL PERFORMANCE PROFILE GRADES AND GRADE DESCRIPTORS	
1.	<b>Substantial evidence of good practice</b> in the quality and standards achieved (Assessment identifies clear supporting evidence for at least 75% of the relevant practices.)
2.	<b>Some evidence of good practice</b> in the quality and standards achieved (Assessment identifies clear supporting evidence for at least 50% of the relevant practices.)
3.	<b>Not in place</b> (there may be one of the three primary reasons for this: a) no evidence can be found, b) there is evidence, but it is not of acceptable quality, or c) that there are plans for development but these have not yet taken place – in which case the auditor can indicate the expected date of completion/implementation but the grade should remain 3.)

**NOTE: Supporting evidence: The grade descriptors have two elements: one relating to the amount of the evidence (none, some or substantial); and one relating to the quality of the practice about which the evidence is gathered (is it good quality, or not?). So, for example, a grade of 1 means both that the evidence is good quality and that there is a substantial amount to demonstrate that it is of good quality (75% or more for the practices found).**
