Dear students

This is in continuation of earlier intimation regarding our Alumni association. The general body held on 7th Sept 2019 reconstituted the executive committee for the smooth functioning of the alumni in future.

1. The committee met thereafter and has asked the college authorities to take up steps to get accreditation of the engineering courses on a war footing basis. The college has already taken action to attain accreditation by National Board of Accreditation (NBA). The Mechanical and EEE branches have submitted the pre qualifier applications but the other two branches are on the process of fulfilling pre conditions.
2. Another demand in the meeting was to organise an ALUMNI GENERAL BODY MEETING to mark the 25th year of inception of college in the campus. The committee is yet to fix a date for this activity.

The accreditation process needs documentation of many academic activities and other history of the college apart from proving there is active ALUMNI, PTA, PLACEMENT cell, Technical clubs etc. Activities of these sections need to be documented and placed before the NBA committee for verification. Alumni's personal representation during the accreditation inspection visit to highlight / defend college performance is also essential. The staff members and students of this college are on rigorous campus modifications process by all means to gain better scores during the inspection.

On alumni documentation side, we could register 600+ members online but no registration fee could be collected to finalise this process. As per the decision of executive committee, students of 2019 batch onwards will get automatically registered and membership fee has also been collected from the 2019 pass outs. Now to make the documentation perfect and strengthening the activities of alumni, we appeal to all the students (prior to 2019 pass out) to remit the registration fee of Rs 500/- online through the website link. Those who had registered earlier can pay the fee by updating. Please forward /communicate to your batchmates and CEA friends

Registration link in website: Alumni Registration

The bank account details are: **67073440519**

Looking forward for an early registration by all students.

Yours faithfully

Dr. Jayasree V K

Principal
